

The Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

Dear The Federal Communications Commission,

I understand that new rules making faxing difficult if not impossible are impending. We make our living sending faxes on very good buys in the travel business, low prices to exciting destination providing an 800 number for contact.

Please do not restrict faxing, please let us stay in business.

Bob Fattig 11905 Stone Mill Cincinnati Oh 45251
bfattig@peoplepc.com

Thank you for your consideration.

Sincerely,

Bob Fattig
